The technology behind this little Web page and video is, in my opinion, quite something, as the Web page photo illustrates.

Advertisement

### FDA: Irradiated spinach, lettuce OK to kill germs

The government will allow food producers to start zapping fresh spinach and iceberg lettuce with just enough radiation to kill E. coli and other dangerous ...

### TWT Headlines

CULTURE

Setting history straight

The date is etched in blood in Utah and Mormon church history and, on a more intimate level, the family trees of people like Karen Maxwell, a mother of eight and choir teacher from Salt Lake City.
